

FIRST YEARS AND TRANSFERS ON PROBATION FALL 2019 VS FALL 2020

A Brief Comparison

FIRST YEARS ON PROBATION

First-Year Freshmen Academic Recovery Program

First-year freshmen who have less than a 2.00 Total Institutional GPA at the end of their first semester of collegiate enrollment are considered at risk. During the first six weeks of their second semester, these students must participate in an academic coaching session before being eligible to register for courses for the third semester. These sessions will provide students with assistance in academic planning, general advisement, major exploration, degree audit, self-assessments, and success strategies. This requirement is in addition to any made by the student's college, school, or academic program.
