Appointments and Students

The total counts of appointments and distinct students are displayed regardless of attendances. This dashboard now includes kiosk visits, so the appointment and student numbers may not match those in the appointment report.

Appointments Created

16,572

Distinct Students

14,684

Attendance Categories

"Scheduled" and "Drop-In" include attendances that have not been marked Canceled or No-Show on the evaluation. Note: Canceled and No-Show attendances may not be mutually exclusive, so an attendance could appear in both categories.

REMINDER: ACCESS TO TECHNOLOGY

- Step #1: Access Form
- Step #2: Complete Foundations Training
- Step #3: Accept DAPS Terms/Conditions

The screenshot shows the University of South Carolina Academic Advising website. The top navigation bar includes the Uof SC logo, the text "South Carolina", and a search bar labeled "SEARCH SC.EDU". Below the navigation bar is a red header with the text "Academic Advising". A left sidebar contains a list of menu items: Academic Advising, Student Advising Resources, College Advising, Changing Majors, Transfer Advising, Academic Coaching, Undeclared, Academic Peer Mentorship, Faculty/Student Mentorship, Advisor Training, and Advisor Toolbox. The "Advisor Toolbox" item is expanded, showing sub-items: Advising Technology (highlighted with a red arrow), Advising Technology Subcommittee, My UofSC Experience Advisor Resources, and Self Service Carolina Upgrade (Banner 9). The main content area is titled "Advising Technology" and contains the following text: "The University of South Carolina incorporates several key technologies into the advising workflow. Advisors who are new to the Columbia campus or advisors who are requesting additional or renewed access should follow the steps below." Below this text is a section titled "Need Access to One or More Advising Technologies?" with the instruction: "Follow these steps to gain or renew your access to EAB Navigate, Self-Service Carolina, or DegreeWorks." A numbered list of three steps follows: 1. Complete the Access Request Form [pdf] and have the designated approver for your college/school or unit sign it. 2. Complete "Advising Foundations" online training course via Blackboard. Do note you only need to finish the Foundations level - not 1-4. Register for the Advising Foundations Blackboard course. 3. Once training is completed and you have sent your access form to the Process Steward, you will receive an email from utsweb@mailbox.sc.edu with the subject line New Technology Access Request once your request has been submitted (sample email [pdf]). Follow the instructions in this email to accept the Terms and Conditions. To the right of the text is a vertical banner for "MODULE FOUR: Advising Technology 4.1 - Advising Technology Overview" with a play button icon. Below the banner is a box titled "Advising Technology Overview" with the text: "Learn more about the technologies used by academic advisors at UofSC."
