From the Dean

As we celebrate World Pharmacists Day, I want to take this opportunity to thank each of you for all that you do for our profession. The role of the pharmacist continues to grow in the ever-expanding world of health care. Each of you plays a significant role in providing care for patients, directly or indirectly, in our community pharmacies and hospitals, through research and drug development, in pharmacy administration and so many other essential roles. Thank you for supporting the College of Pharmacy; by doing so, you help us meet our goals to provide the best training possible for our future pharmacists!
