

PGY1 PHARMACY RESIDENCY PROGRAM

Tandem Health is a Federally Qualified Health Center (FQHC) and accredited patient-centered medical home (PCMH). Our services include adult medicine, family medicine, pediatric medicine, behavioral health, OB/GYN, immunology, community/outpatient pharmacies, and a family medicine residency program.

College of Pharmacy UNIVERSITY OF SOUTH CAROLINA

University of South Carolina College of Pharmacy is in the heart of USC's campus, one block from the student union, university library, and historic USC Horseshoe. Partnership with this institution allows residents to experience teaching, precepting, research, and mentoring as a means of giving back to the profession of pharmacy.

Sumter is located right in the heart of South Carolina, approximately 40 miles from our state capital, Columbia, SC. Residents have the best of both worlds as they are tucked between the beaches, the mountains, and nearby lakes. The rapidly growing downtown area includes amazing local restaurants and a brewery.

ROTATIONS (Outpatient Focus)

Required Rotations	Elective Rotations	Longitudinal Experiences
